Error 1005 means Netmaker cannot reach Bank-Id. To solve this issue we recommend trying the following things.

- 1. Restart your computer
- 2. Make sure the time on your computer is correct (it needs to be correct on the minute).
- 3. Make sure you have the latest version of the Netmaker Bankgirolink software. If not, update it.
- 4. Make sure you have installed the latest version of Bank-ID Software. <u>BankID-programmet</u>
