

1019/1045

Sebastian Ohlsson - 2023-10-24 - Comments (0) - Felkoder

Error 1019 or 1045 means you do not have permission to manage the files on your Bankid.
To resolve this try:

1. Contacting the person responsible for administration of Bankid files at your bank
2. It is possible your bank does not support the chosen e-legitimation. Please verify that it is supported on this site:
