

## Can't read Receipt (the text is missing)?

Anna-Karin Åsén Afridi - 2024-01-11 - Comments (0) - Filhantering

### **Clear Cache in Microsoft Edge**

1. Click on the three dots at the top right.
2. Click Settings.
3. Click and Choose the alternatives to delete under Delete web data.
4. The options that must be checked are:

1. Web history
2. Cookies
3. Saved website data
4. Cached images and files

1. Click Delete.
2. Close the browser and restart it.
