Can't read Receipt (the text is missing)?

Anna-Karin Ettik Åsén - 2024-01-11 - Comments (0) - Filhantering

Clear Cache in Microsoft Edge

- 1. Click on the three dots at the top right.
- 2. Click Settings.
- 3. Click and Choose the alternatives to delete under Delete web data.
- 4. The options that must be checked are:
 - 1. Web history
 - 2. Cookies
 - 3. Saved website data
 - 4. Cached images and files
- 1. Click Delete.
- 2. Close the browser and restart it.
