

About Netmaker Bankgiro Link

Anna-Karin Ettik Åsén - 2024-01-12 - Comments (0) - Information till nya användare

The main window

It is possible to perform all functions from the main window:

The main window consists of a menu bar, a tool bar, three separate workspaces and a status bar.

The left workspace contains the following three folders:

- **Not sent** - contains imported files that have not yet been submitted to Bankgirot.
- **Current** - contains files sent to Bankgirot which are under processing.
- **Fetches** - contains downloaded files from Bankgirot.
- **Processed** - contains files that have been sent to Bankgirot and completed.

The contents of the selected folder on the left are displayed on the right in the top workspace. The contents of a selected file are displayed on the right in the lower workspace.

Menus

Netmaker Bankgiro Link has the following menu options:

File

The following selections are possible from the **File** menu option:

- **Connect to Bankgirot**

Connect to Bankgirot using your e-Legitimation.
