Proxy

Anna-Karin Ettik Åsén - 2024-01-17 - Comments (0) - Information for new users

If your environment has a **proxy solution**, you will need to enter an **exception in the proxy** so that Netmaker Bankgiro Link can connect to the bankgiro.

The address you need to enter as an exception is : https://www.bglinkws.bgonline.se and needs to be without Windows authentication.

Port: **443**
