Self-help.

Here in our help center you can easily use the "self-help" service as a registered user around the clock.

What is needed is:

- An active license for Netmaker BankGiro Link.
- Registered user in the help center. (created by a case here.) Each license (user) has its own login!

You can use either the search functions or menus to find the topic you are looking for.

Have a nice Summer!

/Team Netmaker
