WEBINAR: Future-proof your payment processes

Welcome to our webinar where our partner Pagero tracks trends and discusses the most current topics in B2B payments.

We will address changing formats, shifting legislation and how you can best manage these challenges. During the webinar, we will focus on the upcoming Nordic common standard for payment formats. We will also go through the new requirements from legislators and how these affect your business.

We are hosted by Camilla Åkerman, secretary general at the Nordic Payment Council, who leads the implementation of the common Nordic format ISO20022. Camilla has 30 years of experience in the banking world and will share her deep knowledge. You don't want to miss this!

Practical information.

Date and time: 22 August, time: 11.00 - 11.30.
